Calcaria Terra 2018

« Selection of our best grapes of the year, Calcaria Terra is a blend of Strengh, Elegance and Pleasure »

In the vineyard :

Soil : Limestone-clay soil.

Localisation : On the plateau of Marçay.

Grape variety : Cabernet franc 100%.

Age of vines : between 20 and 40 years.

Manual Harvest

In the cellar :

Winemaking method : fermentation in concrete tanks with pumping over twice a day for 2 weeks then once a day for one more week. **Spontaneous Yeast.**

Wine maturation : 24 months in oak barrels at 12 – 13°C then bottled and storaged in tuffeau cave.

Tasting:

Color : intense blackcurrant red.

Nose : prune, blackcurrant, woody notes.

Mouth : very powerful structure, with crispy and grained tannins strengthen the notes of roasted bread and woody aromas. All of this covered by a bouquet of ripe blackberry, prune and spicy aromas with a nice acidity at the finnish.

Suggestion : decant the wine, or open the bottle 2/3 hours before serving, at 16°C.

Aging potential : 5 years and more
